A new custom home is under construction by Naples-based Nova Homes of South Florida in Eagle Lakes Golf Club in South Naples. The home plan is one

of Nova Homes' most popular plans.

The Islamorada plan has been customized to fit the needs and lifestyle of homeowners who are looking for the country club lifestyle. The home features panoramic golf course vistas of the fairways of this par 71, 7,150-yard championship course. It also includes a custom pool and spa design, within the outdoor living space, perfect for entertaining and viewing sunsets over fairways and lakes.

The Islamorada includes an oversized three-car garage and is situated on a cul-de-sac lot. The floor plan configuration consists of four bedrooms, three full baths, an office/study, and great room with tray ceiling. This single-story free-flowing plan features a great room concept that includes a breakfast nook, and kitchen with ample counter space, island and pantry. Granite counter tops are included in the kitchen and throughout the home's surfaces, with custom wood cabinetry, and upgraded kitchen appliances.

The great room opens to the outdoor living area with two covered lanais. One of the covered lanais is accessed from the breakfast nook and includes a

summer kitchen. This livable space is a split plan with three bedrooms in a vertical design and the master retreat on the opposite side of the home, providing privacy.

The master suite features a large master shower, two closets, two vanities and a water closet. Bedrooms three and four share a Jack-and-Jill bathroom, while bedroom two includes a complete bathroom.

The study off the foyer is a flex space that can also be used as den or media room. A formal dining room with tray ceiling, and a complete laundry room round out the additional spaces.
